1. Our Philosophy

Eton College (the “College” or “we”) is committed to promoting the best habits of independent thought and learning in the pursuit of excellence. We aim to enable everyone, pupils and staff, to discover their strengths and make the most of their talents within the College and beyond. There is no ‘typical Etonian’, likewise there is no typical member of Eton College staff. We value individuality, difference, teamwork and the contribution everyone makes to the life of the College.

2. Our Policy

As a school we are required to comply with a variety of specific recruitment and pre-employment checks to ensure that we appropriately safeguard the pupils in our care. This includes requirements outlined in the relevant legislation, recommendations and guidance published by the Department for Education, such as: Keeping Children Safe in Education (KCSIE), the Prevent Duty Guidance for England and Wales 2015, and any guidance or code of practice published by the Disclosure and Barring Service (DBS). We are also required to comply with the Education (Independent School Standards) Regulations 2014 and the National Minimum Standards of Boarding Schools (2015).

Alongside these requirements we are also an equal opportunities employer and are committed to ensuring that the best possible individuals are recruited on the basis of their merits, abilities and suitability for the position. Applicants are treated fairly and consistently and are not discriminated against on the grounds of gender, sexual orientation, marital or civil partnership status, pregnancy or maternity, gender reassignment, race, colour, nationality, ethnic or national origin, religion or belief, disability or age. For further details please refer to our Equal Opportunities Policy which is available upon request.

Our Safeguarding (Child Protection) Policy is also available on our website or can be printed and forwarded to job applicants upon request.

This policy is reviewed annually or as legislation change requires. This policy does not form part of any employee’s contract of employment and the College may amend it at any time.

Any Eton employee who is approached directly to provide a reference for a current or former member of staff must refer to the Employment Reference Policy (held on Firefly) prior to creating a reference.

3. Our recruitment process for employees

a. Applying for a role at the College

We employ approximately 1,000 people in a variety of jobs, from chefs, gardeners and cleaners, to teachers, musicians and clinical psychologists. As a result, the application process will vary, depending on the type of role and the skills we are looking to recruit. The pre-employment checks, however, will remain the same.

All roles which are open to external applicants can be found on the careers section of our website, along with the corresponding job description and person specification. There are some roles which are only open to internal candidates. If you already work at the College you will have access to view these roles through the intranet.

Please be aware that we are unable to accept speculative CV's or job applications, however, you can register your interest in working for the College and sign up for job alerts via our website.

b. The selection process

The selection process for all roles will involve at least one interview (either conducted by ourselves or an agent acting on our behalf), however the specifics of the selection process will vary depending on the job that is being recruited for. For example some roles may involve skills testing and interactive activities in addition to the interview.

All shortlisted applicants will also be interviewed about their suitability to work with children. This may happen at the first stage interview or it may be part of a separate second stage interview process.

Applicants are expected to present their identity documents in person (see Appendix Two for further details) so that their identity can be verified, therefore you will need to bring these with you to the interview.

c. Pre-employment checks

Any offers of direct employment are conditional upon satisfactory pre-employment checks as set out in Appendix One. Please be aware that you cannot start work until your checks have been received and verified¹. This checking process will usually be completed by our HR team or, in some cases, by an external provider specifically engaged to support the College with our pre-employment checking process.

The pre-employment checks that we will complete if you are offered a role are as follows (for a detailed explanation of each check please see Appendix One):

- Verification of your work history;
- Verification of your qualifications (if required for the role);
- Verification of your identity and right to work in the UK;
- Verification and receipt of two written references;
- Verification that you are not prohibited from teaching in the UK (relevant roles only);
- Verification that you are not prohibited from teaching overseas (relevant roles only) if you have worked overseas for more than 3 months in the past 5 years;
- Verification that you are not prohibited from holding a management role (relevant roles only);
- Receipt of a criminal records check from the Disclosure and Barring Service;
- Overseas criminal records check (if required);
- Verification that you are not barred from working with children (if the role amounts to regulated activity – see Appendix Five);
- Verification that you are not prohibited from acting as a trustee or senior manager of a charity (relevant roles only);

We reserve the right to complete other checks as applicable to the role and circumstances.

¹ If all of your other checks have been received and are considered to be satisfactory and your DBS check has been applied for, we may be able to complete a risk assessment to allow you to start before your DBS certificate has been received. Please be aware, this is only possible for certain roles and in certain circumstances.

4. Checks for Contractors, Supply Staff, Agency Workers and the Self Employed

Staff can come to us under other arrangements, however, we still have a duty to ensure that these individuals are suitable to work within a school environment.

If you are not applying for a direct position with the College, you may be engaged in one of the following ways:

Supply Staff:

Eton defines Supply staff as, persons supplied to the College by a business, on a long term basis as a de-facto member of staff. Supply staff can perform any function, for any department, not just teaching. The checks at Annex One apply to supply staff as they would for direct employees (see above). The supply company is required to provide us with written confirmation that the checks have been completed before an individual is allowed to start work. We will also need to see the original DBS certificate and photo ID on arrival.

Agency Staff:

Eton defines Agency staff as, persons supplied by a temping agency, on a short term basis (30 days or less) as a de-facto member of staff. Agency staff can perform any function, for any department. The checks at Annex One apply to agency staff as they would for direct employees (see above). The agency is required to provide us with written confirmation that the checks have been completed before an individual is allowed to start work. We will also need to see the original DBS certificate and photo ID on arrival.

Self-Employed Staff (paid by the College):

Eton defines self-employed staff as, individuals who work for themselves, but who have a direct agreement with the College to provide a service. The service they provide will always include an element of teaching, coaching, guidance or support of pupils. Due to the safeguarding implications the checks at Annex One apply to self-employed staff as they would for direct employees (see above). In some instances we will undertake the pre-employment checks on your behalf. We will also need to see the original DBS certificate and photo ID on arrival.

Self-Employed Contractor:

Eton defines a self-employed contractor as an individual who works for themselves [whether through a personal services company or otherwise] and is engaged under a contract to supply a service. The service they provide includes no element of instruction or guidance to pupils. They are required to undergo an enhanced DBS check (including a barred list check if the activity is regulated) and bring the original DBS certificate and their photo ID on arrival.

Contractors:

A contractor is a person or company engaged under a contract to supply services. The service they provide includes no element of instruction or guidance to pupils. As contractors may, at times, be unsupervised, they are required to undergo an enhanced DBS check (including a barred list check if the activity is regulated) and bring the original DBS certificate and their photo ID on arrival.

Occasional Contractors:

Eton defines an occasional contractor as a person or company engaged under a contract to supply services. An occasional contractor will be working at the College for less than 3 days in a 30 day period and will not be working overnight. Occasional contractors are supervised at all times, therefore a risk assessment is carried out prior to the individual commencing work to decide if a DBS check is necessary.

5. Checks for Volunteers

The types of checks we complete for volunteers depends on whether the role they perform is considered to be regulated activity. For clarity, the vast majority of our volunteering roles are engaged in regulated activity. Where volunteers are not considered to be in regulated activity this is likely to be because their duties are subject to regular, day-to-day supervision by a fully checked College employee or volunteer whom we have deemed appropriate to supervise and ensure the safety of those pupils in their care. Appendix Five provides more information about regulated activity.

- **Volunteers undertaking regulated activity** - We will undertake an enhanced DBS check including a Children's Barred List check.
- **Volunteers not involved in regulated activity** – We will undertake an enhanced DBS disclosure without barred list information.

Under no circumstances will we permit an unchecked volunteer to have unsupervised contact with pupils.

All volunteers will also be subject to a check of their identification, and we reserve the right to obtain such further suitability information about a volunteer as we consider appropriate in the circumstances. This may include, but is not limited to, the following:

- Formal or informal information provided by employers, parents, and other volunteers;
- Character references from the volunteer's place of work or any other relevant source; and
- An informal 'safer recruitment' interview;
- A reputational search across social media.

We need to undertake a new DBS check each time you volunteer if you haven't been involved in volunteering activities for three consecutive months or more. Therefore if you volunteer regularly with the College we will request that you sign up to the DBS update service, so that criminal record checks can be performed for you as quickly as possible.

6. Checks on non-employed residents

The College is a full boarding school and we accommodate a large number of our employees and their families. If you are accommodated by the College, members of your family may also be subject to criminal record checks. Please be aware that these checks will need to be satisfactory to the College before members of your family are allowed to move into College accommodation.

For those living in boarding houses

All persons aged 16 and over (not employed by the College) who live on the same premises (or have unrestricted access to the same premises) as our pupils are required to have an enhanced DBS with Children's Barred List disclosure. There are separate rules for occasional visitors to boarding house, which are set out in our Visitor Policy.

Each non-employed resident aged 16 or over will also be required to sign a written agreement specifying the terms of their accommodation, guidance on contact with boarders, their responsibilities to supervise occasional visitors, and notice that their permission to live in College accommodation may be rescinded if we believe that they are unsuitable to have regular contact with our pupils.

They will also be required to notify the HR Department if they are charged with or convicted of any offence.

7. Policy on the recruitment of ex-offenders

a. Our philosophy

We make all appointment decisions on the basis of merit and ability. If you have a criminal record this will not automatically bar you from employment at the College; instead each case will be judged individually, in accordance with the objective assessment criteria set out in Section C, below.

b. What you must declare

All positions within the College are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered 'spent', except those received for an offence in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (please see Appendix Six for further information).

We encourage you to declare as much information as possible to us, as having a previous criminal record will not automatically prevent you from working here. However, a failure to disclose a previous conviction (which should be declared) may lead to your application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the College to employ anyone who is barred from working with children. It is also a criminal offence for any person who is barred from working with children to apply for a position at a school. We must make a report to the police and/or the DBS if we:

- receive an application from a barred person;
- are provided with false information in, or in support of an applicant's application; or
- have serious concerns about an applicant's suitability to work with children.

c. Assessment criteria and process

In the event that you volunteer relevant information (whether in relation to previous convictions or otherwise) during the recruitment process, or we obtain information through a disclosure check, we will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position you have applied for;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether you have a pattern of offending behaviour or other relevant matters;

- whether your circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) you provide.

We will complete a risk assessment based on the information available to us, including your representations. The risk assessment will be assessed by a senior member of the HR team (normally the HR Director or Deputy HR Director) and in some cases will be verified by the Designated Safeguarding Lead or Deputy Designated Safeguarding Lead.

d. Disputing information contained within a disclosure

If you wish to dispute information which has been revealed during a disclosure you may do so by contacting the Disclosure and Barring Service directly.

In cases where you would otherwise be offered a job were it not for the disputed information we may, at our discretion and if practicable, defer a final appointment decision until you have had a reasonable opportunity to challenge the disclosure information.

e. Retention and security of disclosure information

We observe the guidance issued or supported by the DBS regarding the use of disclosure information.

8. Data Protection

The College complies with the Data Protection Act 2018 and the General Data Protection Regulation, and processes all personal data in accordance with its Privacy Notice. The Privacy Notice is available to view on our website, and can also be printed and sent to candidates on request.

We are legally required to carry out the pre-employment checks detailed within this procedure. To enable us to complete these checks employees and prospective employees will be required to provide certain information to the College. We will also be required to provide certain information to third parties, such as the Disclosure and Barring Service and the Teaching Regulation Agency (previously known as the National College for Teaching and Leadership), and third parties whom we contract with to provide pre-employment checking services.

Failure to provide the requested information may result in the College not being able to meet our employment, safeguarding or legal obligations. Therefore, we will not be in a position to employ you if you do not provide us, or our third party suppliers, with the requested information.

9. Queries

If you have any questions or queries about any of the details contained within this policy, please speak to a member of the HR team.

Appendix One – Pre-employment checks for applicants

a. Verification of your work history

It is an essential part of our checking process that we understand the full work and academic background of all candidates who apply to work at the College. This is irrespective of the role applied for. To make sure we understand your full work and academic history we will ask you to complete relevant paperwork during your application process and this will be reviewed with you. If there are any gaps in your employment or academic history these need to be listed on the form and explained to us - for instance gaps could include extended travel abroad between school and starting a job (i.e. a 'gap year'), being unemployed for a period of time, or taking time out of the workplace to look after a dependent etc. If you have spent time living or working abroad, please remember to tell us which countries you visited and how long you were there for.

Please be aware that as part of the application process the College will need to know, and see proof of your date of birth. This is necessary so that we can verify your identity (please see section c below) and check for any unexplained discrepancies in your employment and education history. We are an equal opportunities employer and do not discriminate on the grounds of age.

b. Verification of your qualifications

If we have listed specific professional or academic qualifications within the job description or during the recruitment process, or if you have listed qualifications as part of your application (and relied on those qualifications to gain the position) the College will need to verify that you have these qualifications. To do this we will need to see the original certificate(s) and we may also contact the awarding body to confirm that the qualifications were awarded.

c. Verification of your identity and right to work in the UK

We need to verify that you are who you say you are, and that you also have the right to work in the UK. We will also use these documents for the DBS checking process (outlined in section 3g).

To verify your identity and right to work in the UK we need to see at least three identity documents. These documents are those used by the DBS checking authority (see Appendix Two). These must be a mixture of 'primary identity' documents (Group 1 documents), 'trusted government documents' (Group 2A documents) and 'Financial and Social History documents' (Group 2B documents). The College will need to see:

- one document from Group 1; and
- two further documents from either of Group 1, Group 2a or Group 2b, one of which must verify your current address.

If you have changed your name during the course of your life (for example as a result of marriage, adoption or a statutory declaration) we will also need to see documentary evidence of this change. This may, for instance, be in the form of a marriage certificate, adoption certificate or formal confirmation from deed poll.

More information about the types of identity documents we can accept, and what documents are included in groups 1, 2a and 2b, is outlined in Appendix Two.

d. References

All offers of employment are conditional upon the receipt of a minimum of two written references, the content of which must be considered to be satisfactory by the College:

- One reference must be from your current/most recent employer (if the College is your current/most recent employer, a reference may be taken from your line manager);
- If your current/most recent employment does not involve working with children, then the second reference should be from the employer with whom you most recently worked with children. If it proves impossible to obtain this, a third referee will be required.

Please be aware that your referees cannot be a relative or someone known to you solely as a friend or colleague. References need to be from a senior person within an organisation who has the appropriate authority and knowledge to provide a reference for you.

All referees will be asked whether they believe that you are suitable to undertake the role which you have applied for, and whether they have any reason to believe that you are unsuitable to work with children. Current and previous employers will also be asked to confirm the following:

- Your dates of employment.
- Your job title and duties.
- For those applying for 'teaching roles'² - if you have ever been referred to, or are the subject of a sanction, restriction or prohibition issues by the Teaching Regulation Agency, or other equivalent body in the UK.
- Your disciplinary record, including whether you have ever been the subject of disciplinary issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired) except where the issues were deemed to have resulted from allegations which were found to be false, unsubstantiated, unfounded or malicious.
- Whether any allegations have been raised about you that relate to the safety and welfare of children or young people, or behaviour towards children or young people, except where allegations or concerns were found to be false, unsubstantiated or malicious.
- Whether you could be considered to be involved in 'extremism' (please see the definition of extremism in Appendix Three).
- Your reason for leaving.

We are aware that it is the policy of some employers to only provide a factual reference (e.g. job title and dates of employment). If your referees only provide such references you will not be disadvantaged, however, we may need to ask for additional references before your appointment can be confirmed.

Please be aware that the College can only accept references obtained directly from the referee – we cannot rely on references or testimonials provided by you, or on open references or testimonials. Electronic references will be verified to confirm that they originate from a legitimate source. At the College's discretion, we may contact a referee by phone or email to verify the details provided within the reference.

References will be compared with information you have provided as part of your application, and any discrepancies or inaccuracies will be considered by the College and addressed with you and/or the relevant referee. For instance you and/or your referee may be asked to provide further information, evidence or clarification.

² The definition of teaching is not confined to classroom teaching, it also includes coaching sport and games, and other activities such as working in our Combined Cadet Force. The test we use to determine whether a role is a 'teaching role' is outlined in Appendix Four.

Please be aware, if you are applying for a teaching position, we may take references prior to interview; for all other roles we will request references once an offer of employment is made.

e. Verification that you are not prohibited from teaching in the UK or overseas

In line with Section 142 of the Education Act 2002, if you intend to carry out 'teaching work' we will need to check that you are not prohibited from teaching. The definition of teaching work is not confined to classroom teaching, it also includes coaching sport and games, and other activities such as working in our Combined Cadet Force. The test we use to determine whether a role undertakes 'teaching work' is outlined in Appendix Three.

We use the Teaching Regulation Agency Teacher Services system to check whether successful job applicants are the subject within the UK of a prohibition, or interim prohibition order issued by a professional conduct panel on behalf of the Teaching Regulation Agency. We will also ask you, and your referees, to declare whether you have ever been referred to, or are the subject of, a sanction, restriction or prohibition issues by the Teaching Regulation Agency or other equivalent UK body.

If you have ever carried out teaching work outside of the UK we will also ask whether you have ever been referred to, or are subject of a sanction issued by a regulator of the teaching profession in the countries in which you have carried out teaching work. If offered the position you will be asked to provide evidence of this by obtaining a letter from the professional regulating authority in the country or countries which you worked confirming that they have not imposed sanctions and that they are not aware of any reasons why you may be unsuitable to work with children.

Please be aware, if you are not currently prohibited from teaching but you have been the subject of a referral to, or a hearing before the Teaching Regulation Agency (or other equivalent body overseas) whether or not that resulted in the imposition of a sanction, or where a sanction has lapsed or been lifted, we will need to consider whether the facts of the case render you unsuitable to work at the College.

f. Verification that you are not prohibited from holding a management role

If you have applied for a school management position we are required to check that you are not subject to a direction under Section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts you from being involved in the management of an independent school. For clarity, we are required to check both external and internal candidates.

We can obtain this information either through declarations on an Enhanced DBS Certificate or through the Teaching Regulation Agency Teacher Services System. We will use either or both of these methods to obtain this information.

Please be aware, if you are not currently prohibited from management, but you have been the subject of a referral to, or hearing before the Department for Education or other appropriate body, whether that resulted in the imposition of a Section 128 direction or other sanction, or where a Section 128 direction or other sanction has lapsed or been lifted, we will need to consider whether the facts of the case render you unsuitable to work at the College.

g. Relevant criminal records checks within the UK and overseas

If you are offered a role at the College (this includes roles in a volunteering capacity) you will be required to undergo a relevant police check. All applicants will require a UK police check, and if you have worked or lived abroad (including extended holidays) in most cases we will also need to conduct an overseas police check.

For the vast majority of our roles the UK police check will be an Enhanced Disclosure from the Disclosure and Barring Service (DBS). The check is conducted at enhanced level when roles are considered to be engaging in 'regulated activity'.

- For more information about what constitutes regulated activity, please see Appendix Five.
- For more information about Enhanced DBS checks, and the current DBS filtering rules, please see Appendix Six.

DBS Checks:

The DBS will issue a disclosure certificate directly to you, this will not be sent to the College. However, it is a condition of employment that we view the original certificate therefore the HR team will arrange a suitable time with you to bring the certificate into the College. Applicants who are unable to attend to provide the certificate are required to send in a certified copy by post or email within two weeks of the original disclosure certificate being received. Please be aware, where a certified copy is sent, the original disclosure certificate must still be provided on your first working day.

If you have an existing enhanced 'portable' DBS which is registered to the DBS Update Service, it may be possible to use this as part of your recruitment checks. The College will need your permission to verify the DBS on the DBS Update website, which will confirm whether the certificate is still current and if there is any additional information on it. The College will also carry out a separate Barred List Check at this point. The results of both of these checks must be acceptable to the College.

If we applied for your DBS, your employment will remain conditional upon the original certificate being provided and it being considered satisfactory by us. We do not keep copies of the DBS certificate, but we do record the certificate number and date of issue for our records.

Overseas Police Checks:

We take into account the guidance issued by the NSPCC when deciding whether to request overseas information from applicants and reserve the right to ask you to apply for an overseas police check where you have previously lived or worked overseas. This will usually be where you have lived or worked overseas for more than three months during the last five years but may be requested in other cases, depending on the role applied for. We will assess each applicant's situation on its individual facts, taking into account any guidance issued by the Secretary of State.

If we require an overseas police check you will be notified by a member of the HR team. The process for undertaking overseas police checks varies depending on the country from which they are sought. In most cases you will need to complete additional forms which will need to be returned directly to the authorities in the relevant countries. Depending on the country, the outcome certificate of the overseas police check may be returned directly to you, or it may be returned to the College. In all instances we will need to see the original certificate before you are able to start work.

h. Verification that you are not barred from working with children

Barred List checks are only available for applicants who will be engaged in regulated activity (for a full definition see Appendix Four). In practice, the majority of roles at the College are considered to be regulated activity. If you apply for a role which is considered to be regulated activity we are required to undertake a check of the Children's Barred List before you can start work. The Children's Barred List is a list of individuals who are barred from working with children and is maintained by the Disclosure and Barring Service.

Please be aware, if you are included on the Children's Barred List you will be breaking the law if you seek to work in regulated activity with children. Please be aware that we must make a report to the Police and/or DBS if we:

- Receive an application from a barred person;
- Are provided with false information in, or in support of an applicant's application; or
- Have serious concerns about an applicant's suitability to work with children.

We will check the Children's Barred List either as part of an Enhanced DBS check, or as a separate Barred List check (previously known as a List 99 check). It is at our discretion which option is chosen.

More information about regulated activity is included in Appendix Five.

i. Verification of your medical fitness

As a result of specific school-related legislation (including KCSIE and National Minimum Standards of Boarding) we are also legally required to verify the medical fitness of anyone we appoint to ensure they are mentally and physically able to perform the duties of the specified position. Please be aware, this will take place after an offer of employment has been made, but before the appointment is confirmed.

To determine medical fitness we ask candidates to complete a health questionnaire which is reviewed by our independent occupational health advisor. The advisor will review your questionnaire against the job description and person specification for the role, together with the details of any other physical or mental requirements of the role (e.g. the proposed teaching timetable, required extra-curricular activities, layout of the College etc.). If the College's health advisor has any doubts about your fitness for the role we may seek further medical opinions from a specialist or request that you undertake a full medical assessment.

Please be assured that we are aware of our duties under the Equality Act 2010, and we will not withdraw a job offer on the grounds of medical fitness without first consulting with you and considering reasonable adjustments and suitable alternative roles within the College.

j. Other checks as applicable to the role and the circumstances

In addition to the checks set out above, we also reserve the right to obtain such formal or informal background information about you as is reasonable in the circumstances to determine whether you are suitable to work with us. This may include credit checks (for example for Finance roles) and internet and social media searches.

k. Other checks applicable to Senior Managers of a charity

If you have been appointed to a role on the Executive Leadership Team we will need to check that you are not prohibited from acting as a trustee or senior manager of a charity. The Charities Act 2011 sets out the grounds on which a person can be disqualified from acting as a senior manager. These include various spent and unspent criminal offences and other sanctions. We will therefore check the following registers:

- The Insolvency Register;
- The register of disqualified directors maintained by Companies House; and
- The register of persons who have been removed as a charity trustee.

Please be aware that if you fail to disclose relevant information, or provide false information, about your ability to act as a charity trustee or senior manager of a charity this may amount to a criminal offence. It may also result in the withdrawal of any offer of employment.

All individuals on our Executive Leadership Team also have an ongoing duty to inform the College if there is a change in their circumstances which may result in them becoming disqualified from acting as a senior manager of a charity.

Please be aware, a person who discloses that one or more of the disqualification criteria is applicable to them may apply to the Charity Commission for a waiver of the disqualification. However, we may, at our discretion, withdraw an offer of employment from a senior manager if a waiver application becomes necessary or is rejected by the Charity Commission. For clarity, we are not required to await the outcome of a Charity Committee waiver application before taking these steps.

Appendix Three – The definition of ‘extremism’

The College complies with the Prevent Duty guidance and the definition of extremism as set out in Keeping Children Safe in Education (KCSIE).

KCSIE states:

"Extremism is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations."

The College is an equal opportunities employer and in fulfilling its Prevent Duty obligations does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, gender reassignment, marital or civil partner status, pregnancy or maternity, disability or age.

Appendix Four – The definition of ‘teaching work’

Teaching work is defined in The Teachers’ Disciplinary (England) Regulations 2012 to encompass:

- Planning and preparing lessons and courses for pupils;
- Delivery of lessons to pupils;
- Assessing the development, progress and attainment of pupils;
- Reporting on the development, progress and attainment of pupils.

(‘Delivery’ includes delivering lessons through distance learning or computer-aided techniques).

None of these actions are considered ‘teaching work’ if the person carrying out the activity does so subject to the direction and supervision of a qualified teacher or a person nominated by the Head Master.

Appendix Five – The definition of ‘Regulated Activity’

Regulated Activity is defined in Schedule 4 of the Safeguarding Vulnerable Groups Act 2006 (as amended by the Protection of Freedoms Act 2012).

“Any position undertaken at, or on behalf of, the School will amount to regulated activity if it is carried out:

- frequently, meaning once a week or more; or
- overnight, meaning between 2.00 am and 6.00 am; or if it
- satisfies the "period condition", meaning 4 times or more in a 30 day period; and
- provides the opportunity for unsupervised contact with children.

Roles which are carried out on an unpaid/voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis.”

It is for us to decide whether a role amounts to "regulated activity" taking into account all the relevant circumstances. However, please be aware that nearly all posts at the College amount to regulated activity (including all activities relating to personal care, health care, the provision of advice or guidance for children on well-being and driving a vehicle only for children). Limited exceptions could include an administrative post undertaken on a temporary basis in the School Office outside of term time or voluntary posts which are supervised.

We are required to carry out an enhanced DBS check for all employees, supply staff and governors who will be engaging in regulated activity. However, we can also carry out an enhanced DBS check on a person who would be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to regulated activity if carried out more frequently.

Appendix Six – DBS Checks and DBS Filtering Rules

The Disclosure and Barring Service

The Disclosure and Barring Service (DBS) was established in 2012 and carries out the functions previously undertaken by the Criminal Records Bureau (CRB) and the Independent Safeguarding Authority (ISA).

The DBS helps to prevent unsuitable people from working with vulnerable groups, including children. Safeguarding is at the heart of everything at the DBS.

The DBS is responsible for:

- processing requests for, and issuing, DBS checks for England, Wales, the Channel Islands and the Isle of Man;
- making considered decisions regarding whether an individual should be barred from engaging in regulated activity with children, adults or both, in England, Wales and Northern Ireland; and
- maintaining the children's and adults' barred lists

Information about the DBS can be found online here:

<https://www.gov.uk/government/organisations/disclosure-and-barring-service>

Disclosure checks (DBS checks)

The DBS disclosure team carries out criminal record checks that result in DBS certificates being issued to an individual. Employers can then ask to see this certificate to ensure that they are recruiting suitable people into their organisation.

There are currently three levels of criminal record check:

- basic check
- standard check
- enhanced check (with or without barred lists)

The information contained on each type of check is different, as is the process for applying. The DBS break their checking service down into Basic, Standard and Enhanced checks. The College only uses Enhanced checks as the vast majority of roles consist of regulated activity.

Enhanced check

An enhanced DBS check is suitable for people working with children.

The certificate will contain the same details as a standard certificate and, if the role is eligible, an employer can request that one or both of the DBS barred lists are checked.

The certificate may also contain non-conviction information supplied by a Chief Officer, if they feel it is relevant and ought to be contained in the certificate.

An individual cannot apply for an enhanced check by themselves. There must be a recruiting organisation who needs the applicant to get the check. This is then sent to DBS through a registered body. The service is free for volunteers.

Barring

Where requested, an enhanced certificate will also include a check of one or both of the DBS barred lists. If an individual is listed, this will appear on their DBS certificate.

It is the responsibility of the DBS to maintain these lists. This involves making fair, consistent and thorough decisions that are appropriate to the behaviour that has occurred, and considering the risk of future harm.

People are brought to the attention of the DBS barring team in one of three ways:

- automatic barring offence – also known as autobar;
- disclosure; or
- referral.

Automatic – also known as autobar

This is when someone has been newly convicted or cautioned for a serious offence and they are considered for immediate barring, either with or without the opportunity to make representations. This information comes from the Police National Computer.

Disclosure

This is when someone applies for an enhanced DBS check to work with children or adults in certain circumstances, such as those in receipt of healthcare or personal care, and the check reveals relevant information that results in the individual being considered for inclusion on one or both of the barred lists.

Referral

This is when an employer, volunteer manager or other organisation has concerns that someone has either caused harm or has the potential to cause harm to vulnerable groups and submits a referral to the DBS.

Regulated activity providers (employers or volunteer managers of people working in regulated activity in England, Wales or Northern Ireland) and personnel suppliers have a legal duty to refer to DBS where conditions are met.

DBS filtering rules

Since 29 May 2013 the DBS commenced the filtering and removal of certain specified information relating to old and minor criminal offences from all criminal records disclosures. The DBS and the Home Office have developed a set of filtering rules relating to spent convictions which work as follows:

Those aged 18 or over at the time of an offence

An adult conviction for an offence committed in the United Kingdom will be removed from a DBS disclosure if:

- eleven years have elapsed since the date of conviction;
- it is the person's only offence; and
- it did not result in a custodial sentence.

It will not be removed under any circumstances if it appears on a list of "specified offences" which must always be disclosed. If a person has more than one offence on their criminal record, then details of all their convictions will always be included.

A caution received when a person was aged 18 or over for an offence committed in the United Kingdom will not be disclosed if six years have elapsed since the date it was issued, and if it does not appear on the list of "specified offences".

Those aged under 18 at the time of an offence

A conviction for an offence committed in the United Kingdom will be removed from a DBS disclosure if:

- five and a half years have elapsed since the date of conviction;
- it is the person's only offence; and

- it did not result in a custodial sentence.

Again, the conviction will not be removed under any circumstances if it appears on the list of "specified offences", or if a person has more than one offence on their criminal record.

A caution received when a person was aged under 18 for an offence committed in the United Kingdom will not be disclosed if two years have elapsed since the date it was issued and if it does not appear on the list of "specified offences".

The list of "specified offences" which must always be disclosed

This contains a large number of offences, which includes certain sexual, violent and other offences that are considered so serious they will always be disclosed, regardless of when they took place or of the person's previous or subsequent criminal record. The list of "specified offences" can be found at:

The DBS disclosure certificate

The DBS issues the DBS disclosure certificate to the subject of the check only, rather than to the College. It is a condition of employment with the College that the original disclosure certificate is viewed and recorded by us prior to starting. Original certificates should not be sent by post. A convenient time and date for bringing the certificate into the College should be arranged with the HR Department as soon as it has been received. Applicants who are unable to attend at the College to provide the certificate are required to send in a certified copy by post or email within two weeks of the original disclosure certificate being received. Where a certified copy is sent, the original disclosure certificate must still be provided on the first working day.

Employment will remain conditional upon the original certificate being provided and it being considered satisfactory by the College.

We do not keep copies of your DBS certificate, but we will record the certificate number and date of issue.
