

Part-Time Teacher of Latin

January 2020 - fixed term contract until 30 June 2020

Teacher of Latin

Be part of a challenging and exciting learning environment, within lessons and beyond.

1

We are looking for a well-qualified graduate to teach Latin throughout the school.

We are a large, cohesive department of 15 full-time teachers, with a wide variety of different roles throughout the school, as well as a range of experience. There is a strong collegiate feel to the department with regular sharing of ideas, expertise and resources, and plenty of academic debate. This role would focus on teaching Latin to Years 9 and 10.

Classroom learning is enhanced by a culture that promotes independent research and investigation beyond the syllabus. All our teachers contribute to the challenging, exciting learning environment to which we expose our students, both within lesson time and beyond.

This is a fixed term position for two terms. The contract will expire at the end of June 2020.

- *We are an equal opportunities employer and are seeking applications from suitably qualified candidates from all backgrounds. There is no 'typical' Eton teacher; we value individuality, difference, teamwork and the contribution everyone makes to the life of the school.*

Outreach & Partnership

Eton prides itself on the depth and range of its partnerships with the wider educational commonwealth.

3

We place great emphasis on extending Eton's educational reach as far as possible by making Eton accessible to those who could not otherwise afford to come here and by making our expertise and facilities available to students who are not our pupils.

Eton has made places available free of charge since its foundation in 1440 and we remain committed to making an Eton education accessible to talented students from all backgrounds.

For pupils in receipt of 100% bursaries, attending the school can be a life-changing opportunity. We work in partnership with specialist organisations such as SpringBoard to provide these transformative experiences.

We also have one of the largest and most effective outreach programmes of any independent school in the country, with annual interactions with over 100 state-funded primary and secondary schools. These include the two free schools that Eton was involved in establishing, both of

which offer an Ofsted 'outstanding' education to their pupils: Holyport College, and the London Academy of Excellence. Eton's staff and pupils benefit greatly from these relationships.

Our programme encompasses a wide range of activities including teaching provision, sharing sports facilities with local schools and community groups, student mentoring in numeracy and literacy, a Universities Summer School, an annual Community Fair fund-raising for charities, and voluntary service in the local community.

- *We set aside more than £6.5 million a year for bursaries and currently over 80 students receive 100 per cent bursaries and a further 200 receive significant financial support.*

Life at Eton College

Life at Eton is rich, varied, exciting, challenging and immensely rewarding – for pupils and staff alike.

4

The school was founded by Henry VI in 1440, and is today the largest boys' boarding school in the UK. In keeping with the charitable intentions of our founder, we welcome pupils from all backgrounds. This year pupils joined us from over 120 different schools from across the country. 10% of pupils come from overseas.

Academic standards are high: over 90 per cent A*/A passes at GCSE, and over 95% A*/A/B passes at A-level or Pre-U equivalent.

Individual development and personal achievement are as important as academic results. Our diverse and busy co-curricular programme enables pupils to identify and develop skills and strengths through a huge variety of activities – from sports to music to theatre.

Games are central to Eton's curriculum, not just because pupils enjoy them, but because they help to develop many of the qualities in which the school believes.

The range of sports available is wide and includes football, rugby, hockey, cricket, rowing, athletics, squash, rackets and fives.

On some match days, there may be as many as 30 games and more than 40 teams playing. Our aim is to offer opportunities for every student to take part in and learn through sport.

Music thrives at Eton. A very generous building programme has doubled the size and scope of the music department in recent years. There are currently 122 Music Scholars and Exhibitioners and more than 1,000 music lessons are taught each week.

In the creative and performing arts, pupils participate in over 20 theatrical productions each year, and Eton productions regularly appear at the Edinburgh Fringe Festival.

CARING FOR OUR PUPILS

The school provides outstanding pastoral care for pupils. We are a full boarding school with 25 boarding houses, each home to 50 boys aged 13-18. The houses are the heart of life at Eton.

// We care about the individual and pride ourselves on the warmth of a community in which all our pupils feel valued. //

SIMON HENDERSON || HEAD MASTER

*// We believe that
our pupils learn
as much, if not
more, outside
the classroom
as within it. //*
