ROMAN CATHOLIC CHAPLAIN

Be part of a committed and supportive chaplaincy team serving a large and diverse school community.

We are seeking an inspiring Roman Catholic chaplain who will provide strong pastoral and spiritual support for our Catholic pupils, along with the wider Eton College community. The successful candidate must be an ordained Catholic priest and a carer of all souls. The appointment will be made taking into account the views of Rt Revd David Oakley, Bishop of Northampton - Eton being within the Diocese of Northampton.

The Roman Catholic chaplain at Eton is responsible for nurturing the faith formation and liturgical life of the school's Catholic community: officiating up to two Masses each week (on Sundays and Wednesdays during the school term), preparing candidates for annual Catholic confirmation and celebrating the sacraments of Baptism, Reconciliation and First Holy Communion as requested by members of the school's Catholic community. There are currently around 250 Roman Catholic pupils at Eton, and the chaplain has the support of the Saint Nicholas Society of Catholic Parents of Eton in fostering the Catholic faith within the school environment.

The Roman Catholic chaplain is also part of the wider school chaplaincy team and as such is responsible for providing sensitive pastoral oversight and support to the boys and staff of five of our twenty-five boarding houses. Regularly leading and preaching at weekday ecumenical school services is also an integral part of this role.

Please note this is a full time, accommodated role with some teaching responsibilities. A readiness to embrace life in a boarding community, alongside a willingness to offer teaching in an academic subject area and a commitment to the co-curricular life of the school is essential.

We are an equal opportunities employer and are seeking applications from suitably qualified candidates from all backgrounds. There is no 'typical' Eton employee; we value individuality, difference, teamwork and the contribution everyone makes to the life of the school.

ETON TODAY

The Eton College of the 21st century is focused on the future while valuing its heritage.

ACCESS

Eton has made places available free of charge since its foundation in 1440 and we remain committed to making an Eton education accessible to talented students from all backgrounds. We offer over £8,000,000 annually in means-tested fee remission as part of our financial aid projects, with 90 students currently attending Eton on free places. For pupils in receipt of 100% bursaries, attending the school can be a life-changing opportunity. We work with specialist organisations such as Royal SpringBoard to provide these transformative experiences.

INNOVATION

Today's school is a forward-thinking and increasingly diverse community. We are always seeking to work at the forefront of developments in teaching and learning. The Tony Little Centre for Innovation and Research in Learning (CIRL) is a dedicated centre that allows the school to work alongside partners to explore the latest pedagogical research findings and new technologies and to conduct research projects.

PARTNERSHIP

We work with numerous state schools on activities of mutual benefit as part of the 'Eton Connect' programme, with a particular focus on our enriching partnerships with Holyport College, the London Academy of Excellence, the Thames Valley Learning Partnership and Star Academies. We have offered free self-study EtonX courses as a response to the Coronavirus pandemic, which have been taken up by over 1,000 state-maintained schools in the UK.

Last year we began a groundbreaking partnership with Star Academies to open three new specialist sixth form colleges in the North and Midlands which will be a compelling demonstration of the best in independent / state schools partnerships.

Our partnership programme encompasses a wide range of activities, including; teaching provision, sharing sports facilities with local schools and community groups, student mentoring in numeracy and literacy, a Summer School programme, an annual Community Fair fund-raising for charities, and voluntary service in the local community. We encourage all our people – students and staff alike - to engage actively with service to their local communities.

LIFE AT ETON

We believe that our pupils learn as much, if not more, outside the classroom as within it.

PASTORAL SUPPORT

The school was founded by Henry VI in 1440, and is today the largest boys' boarding school in the UK. In keeping with the charitable intentions of our founder, we welcome pupils from all backgrounds. This year, pupils joined us from over 120 different schools from across the country. Around 10% of pupils come from overseas.

The school provides outstanding pastoral care for its pupils. Eton is a 24/7 boarding school with 25 boarding houses, each home to around 55 pupils aged 13-18. The houses are the heart of life at Eton. Each house is run by a dedicated team, including a House Master and 'Dame' who live on-site, and a team of support staff. Each house also has a Deputy House Master and two assistants attached to it. Together, they help to ensure that every pupil gets the best out of their time at Eton.

Pupils are also tutored in small groups by a dedicated Tutor, who meets with them regularly, thus ensuring that at least two adults have oversight of each pupil's academic progress and welfare.

THE CO-CURRICULUM

Individual development and personal achievement are as important as academic results. Our diverse and busy co-curricular programme enables pupils to identify and develop skills and strengths outside the classroom, through a wide variety of activities including sports, societies, outdoor education, arts, music and theatre. We are able to deliver this range of experiences and opportunities, because of the skills, experience, and commitment of our teaching staff.

While music and art are delivered by specialist practitioners, there is tremendous scope for our teaching staff to contribute to our vibrant co-curriculum.

BEYOND THE CLASSROOM

Life at Eton is rich, varied, exciting, challenging and immensely rewarding – for pupils and staff alike.

SPORT

Sport is central to Eton's curriculum, not just because pupils enjoy it, but because it helps to develop many of the qualities in which the school believes. Opportunity is key: pupils play for school teams and in house competitions for all major sports including football, rugby, hockey and cricket, and a broad array of other sports such as fencing, squash, rackets, martial arts and water polo are available. Every pupil is offered a full sporting programme and almost all members of the teaching staff are involved in delivering sport in some form or other.

OUTDOOR EDUCATION

Outdoor education provides opportunities to develop practical skills and offers physical and mental challenges that encourage problem solving, resilience and teamwork. We offer a variety of activities, including mountaineering, climbing, kayaking, channel swimming, and the CCF. The latter is the first continuous school corps of its kind, and is run by a dedicated team of former officers as well as teaching staff, support staff and volunteers.

CLUBS AND SOCIETIES

Often run by students but with the support of teaching staff, there are around 90 clubs and societies. These encompass a wide range of interests and inclusion forums: LGBTQ,

Feminism, Disability and Accessibility Awareness, African and Caribbean, Debating, Model UN to name a few. Pupils also have the opportunity to hear world class speakers - from activists and explorers to sports persons and television personalities, as well as experts in all sorts of academic and professional fields.

DRAMA

There are over 25 theatrical productions each year, including school and house plays directed by members of staff, and independent plays directed by boys. These are staged in a range of superb performance spaces at the school. Productions also regularly appear at the Edinburgh Fringe Festival.

MUSIC

Music thrives at Eton and many pupils join an orchestra, ensemble, choir or rock band. There are currently 122 Music Scholars and Exhibitioners and more than 1,000 music lessons are taught each week by Visiting Music Teachers.

ART

Our Drawing Schools have facilities for painting, drawing, printmaking, computer graphics and digital photography. There are also two purpose-built 3D studios that have facilities for ceramics and sculpture in wood, metal and plaster.

"We care about the individual and pride ourselves on the warmth of a community in which all our pupils feel valued."

SIMON HENDERSON,
HEAD MASTER

"When a boy leaves Eton, he will have experience of academic, sporting, dramatic, artistic, musical and, perhaps most importantly, personal growth to look back on."

DAVID GREGG,
DEPUTY HEAD (PASTORAL)
