CONTRACT

ETON
COLLEGE

01 | GERMAN LANGUAGE ASSISTANT

Be part of a challenging and exciting learning environment, within lessons and beyond.

We are an equal opportunities employer and are seeking applications from suitably qualified candidates from all backgrounds. There is no 'typical' Eton employee, we value individuality, difference, teamwork and the contribution everyone makes to the life of the school.

Eton's willingness to innovate and evolve is a tradition which has seen the school thrive for almost six centuries.

The main role of our Language Assistants are to support the work of the Modern Foreign Languages Department.

Our Modern Foreign Languages Department is a large, diverse, inclusive and collegiate department of informed, passionate teachers of modern languages and culture. We all teach across the range of abilities and ages.

You will work closely with pupils of German, individually or in small groups of pupils to help them improve their oral and aural language skills.

You will also support the running of the department, undertaking general administration and exam preparation, and supporting the work of the Modern Foreign Language

Masters as required. In addition, you will support the Eton College Summer Schools programme.

Today's school is a progressive and increasingly diverse community. Inclusivity, individual student development and innovation in teaching and learning are our guiding principles.

We are a modern, forward-thinking school, always seeking to work at the forefront of developments in teaching and learning. The Tony Little Centre for Innovation and Research in Learning (CIRL) is a dedicated centre that allows the school to work alongside partners to explore the latest pedagogical research findings and new technologies and to conduct research projects.

02 | LIFE AT ETON

We believe that our pupils learn as much, if not more, outside the classroom as within it.

PASTORAL SUPPORT

The school was founded by Henry VI in 1440, and is today the largest boys' boarding school in the UK. In keeping with the charitable intentions of our founder, we welcome pupils from all backgrounds. This year, pupils joined us from over 120 different schools from across the country. Around 10% of pupils come from overseas.

The school provides outstanding pastoral care for its pupils. Eton is a 24/7 boarding school with 25 boarding houses, each home to around 55 pupils aged 13-18. The houses are the heart of life at Eton. Each house is run by a dedicated team, including a House Master and 'Dame' who live onsite, and a team of support staff. Each house also has a Deputy House Master and two assistants attached to it. Together, they help to ensure that every pupil gets the best out of their time at Eton.

Pupils are also tutored in small groups by a dedicated Tutor, who meets with them regularly, thus ensuring that at least two adults have oversight of each pupil's academic progress and welfare.

We care about the individual and pride ourselves on the warmth of a community in which all our pupils feel valued.

SIMON HENDERSON | HEAD MASTER

THE CO-CURRICULUM

Individual development and personal achievement are as important as academic results. Our diverse and busy co-curricular programme enables pupils to identify and develop skills and strengths outside the classroom, through a wide variety of activities including sports, societies, outdoor education, arts, music and theatre. We are able to deliver this range of experiences and opportunities, because of the skills, experience, and commitment of our teaching staff.

While music and art are delivered by specialist practitioners, there is tremendous scope for our teaching staff to contribute to our vibrant cocurriculum.

SPORT

Sport is central to Eton's curriculum, not just because pupils enjoy it, but because it helps to develop many of the qualities in which the school believes. Opportunity is key: pupils play for school teams and in house competitions for all major sports including football, rugby, hockey and cricket, and a broad array of other sports such as fencing, squash, rackets, martial arts and water polo are available. Every pupil is offered a full sporting programme and almost all members of the teaching staff are involved in delivering sport in some form or other.

We are looking for suitably qualified candidates from all backgrounds.
