Teacher of Classics

Be part of a successful and dynamic department at the heart of an Eton education.

1

We are looking for a well-qualified graduate to teach Latin and Greek throughout the school. We are a large, collegiate department of dedicated teachers who are passionate about the value of a Classical education in the modern world and are fully involved in the life of the school outside the classroom. We all teach Latin and Greek across the range of abilities and ages and many also have the opportunity to teach Classical Civilisation to GCSE or Ancient History to A Level.

In Year 9 every student studies Latin, whether they are a complete beginner or have taken the entrance Scholarship. A large number also choose to study Greek, of whom about 30-40 are taught from scratch. Latin, Greek and Classical Civilisation are offered for GCSE; numbers are strong and results are very good.

We are an equal opportunities employer and are seeking applications from suitably qualified candidates from all backgrounds. There is no 'typical' Eton teacher; we value individuality, difference, teamwork and the contribution everyone makes to the life of the school.

We seek to develop a solid grounding in the language whilst enabling students to experience the literature and culture of the ancient world, and to foster a genuine academic curiosity in our students. A vibrant Lower Boy Classical Society allows students to research and present topics of interest to them.

Clear course structures are in place, but there is space in the curriculum for teachers to enthuse their students with their own areas of expertise and interest. In the Sixth Form, we follow the A Level specification in all three subjects. We spend the first two terms of the A Level course reading literature in Latin and Greek outside the bounds of the A Level set texts to develop a breadth of understanding and appreciation for different genres of literature.

We run internal prizes for different year-groups and invite academics, authors and others with a love for the Classical world to address and interact with our students, both at Classical Society and in other settings. Our students enjoy considerable success in their applications to Oxbridge and other top universities both for Classics and other Classical subjects.

The Classics department has a reputation for excellent teaching. It is an intellectually-stimulating, welcoming and supportive place to work, with the combined depth of wisdom and academic experience creating a culture of high standards

We are a modern, forward-thinking school, always seeking to work at the forefront of developments in teaching and learning. Outreach and Partnership

3

Eton prides itself on the depth and range of its partnerships with the wider educational commonwealth.

We place great emphasis on extending Eton's educational reach as far as possible by making Eton accessible to those who could not otherwise afford to come here and by making our expertise and facilities available to students who are not our pupils.

Eton has made places available free of charge since its foundation in 1440 and we remain committed to making an Eton education accessible to talented students from all backgrounds.

For pupils in receipt of 100% bursaries, attending the school can be a life-changing opportunity. We work in partnership with specialist organisations such as SpringBoard to provide these transformative experiences.

We also have one of the largest and most effective outreach programmes of any independent school in the country, with annual interactions with over 100 state-funded primary and secondary schools. These include the two free schools that Eton was involved in establishing, both of

which offer an Ofsted 'outstanding' education to their pupils: Holyport College, and the London Academy of Excellence. Eton's staff and pupils benefit greatly from these relationships.

Our programme encompasses a wide range of activities including teaching provision, sharing sports facilities with local schools and community groups, student mentoring in numeracy and literacy, a Universities Summer School, an annual Community Fair fund-raising for charities, and voluntary service in the local community.

- *We set aside more than £6.5 million a year for bursaries and currently over 80 students receive 100 per cent bursaries and a further 200 receive significant financial support.*

Life at Eton College

Life at Eton is rich, varied, exciting, challenging and immensely rewarding – for pupils and staff alike.

4

The school was founded by Henry VI in 1440, and is today the largest boys' boarding school in the UK. In keeping with the charitable intentions of our founder, we welcome pupils from all backgrounds. This year pupils joined us from over 120 different schools from across the country. 10% of pupils come from overseas.

Academic standards are high: over 90 per cent A*/A passes at GCSE, and over 95% A*/A/B passes at A-level or Pre-U equivalent.

Individual development and personal achievement are as important as academic results. Our diverse and busy co-curricular programme enables pupils to identify and develop skills and strengths through a huge variety of activities – from sports to music to theatre.

Games are central to Eton's curriculum, not just because pupils enjoy them, but because they help to develop many of the qualities in which the school believes.

The range of sports available is wide and includes football, rugby, hockey, cricket, rowing, athletics, squash, rackets and fives.

On some match days, there may be as many as 30 games and more than 40 teams playing. Our aim is to offer opportunities for every student to take part in and learn through sport.

Music thrives at Eton. A very generous building programme has doubled the size and scope of the music department in recent years. There are currently 122 Music Scholars and Exhibitioners and more than 1,000 music lessons are taught each week.

In the creative and performing arts, pupils participate in over 20 theatrical productions each year, and Eton productions regularly appear at the Edinburgh Fringe Festival.

CARING FOR OUR PUPILS

The school provides outstanding pastoral care for pupils. We are a full boarding school with 25 boarding houses, each home to 50 boys aged 13-18. The houses are the heart of life at Eton.

Each house is run by a dedicated team which includes members of the teaching staff. New staff members can expect to be attached to a house and to carry out a fortnightly duty evening as a House Assistant.

All teachers tutor one or two small groups of pupils, meeting them regularly and taking an interest in their academic progress and wellbeing.

*// We care about the individual
and pride ourselves on the warmth
of a community in which all our
pupils feel valued. //*

SIMON HENDERSON || HEAD MASTER

*We believe that
our pupils learn
as much, if not
more, outside
the classroom
as within it.*
